## RELEVANT EXPERIENCE

### Rails Engineering Student

**The Iron Yard Academy** | Durham, NC | Aug-Dec 2014

12-week immersive code bootcamp for Ruby on Rails web development. Built or utilized new concepts in a Rails project almost every day.

Fulfilled back-end, front-end, and project management roles for 3-week, 3-person project, a volunteer check-in app for a real-world client.

Integrated with the Salesforce API and OmniAuth, and focused on an intuitive user experience, responsive design, and accommodating a suboptimal data structure.

## PROFESSIONAL EXPERIENCE

### Localization Project Manager

**Disney Social Games** | Chapel Hill, NC | 2011 - 2014

Managed localization of large-scale social and mobile games in up to 10 languages, requiring close coordination between more than 10 remote teams, including development, linguistic QA, business intelligence, marketing, and art.

Led localization of Marvel: Avengers Alliance on Facebook, iOS and Android, with a budget of \$100K, as well as Star Wars: Commander, Kitchen Scramble, and Words of Wonder.

Triaged high volume of LQA bug tickets, built test cases, provided QA training for in-house LQA. Conveyed best practices to external studio.

### Quality Assurance Analyst

**Disney Interactive / Playdom / Merscom** | 2009 - 2011

Conducted manual testing of up to three games per month, for multiple online game portals and social networks including Facebook.

Ensured the timely detection of issues and wrote clear and detailed bug reports for remote developers.

Retained over a series of acquisitions and downsizings, and tapped to manage the localization and launch of Social City on VZnet, while simultaneously testing multiple games.

## EDUCATION

### NCSU College of Design

Bachelor of Art & Design

Cum Laude | 2001- 2004

## SKILLS

### Back-End

Ruby

Rails

APIs - Salesforce, Twitter

Capybara

Heroku

OmniAuth

### Front-End

HTML5

CSS3, Sass

JavaScript

jQuery

Foundation

### Development

Agile

Git, GitHub

Test Driven Design

JIRA, Bugzilla, Trello

## MISCELLANY

### BSA Eagle Scout Award

### Uncommon Interests

Effective Altruism

Cognitive Biases

Procedural Generation

Contra Dance

### Favorite Questions

How? Why? What If?
